

Shri Harihar Mahadev Temple Trust

A Detailed Project Report — Integrating spirituality, service, and sustainable community development under the philosophy of Harihar Mahadev, the unified form of Lord Shiva and Lord Vishnu.

DPR · ₹36 CRORE PROJECT

ABOUT US

Shri Harihar Mahadev Temple Trust is a charitable and spiritual organization established with the objective of promoting social welfare, spiritual growth, and community development. The Trust is inspired by the philosophy of **Harihar Mahadev**, a unified form of Lord Shiva (Hara) and Lord Vishnu (Hari), symbolizing harmony, unity, and the oneness of existence.

The Trust is committed to serving society by integrating **religious values with humanitarian activities**, focusing especially on underprivileged and economically weaker sections of society.

Vision & Mission

Vision

To create a spiritually enriched and socially responsible society through a divine centre promoting unity, सेवा, and sustainable community development.

Mission

- Construct a grand temple as a centre for spirituality and cultural unity
- Provide food, education, and healthcare to the needy
- Preserve Sanatan Dharma values through Gurukul education
- Support inclusive development addressing basic societal needs

Core Activities & Initiatives

Temple Construction

Main temple with prayer hall, sanctum, and facilities for devotees including seating and sanitation.

Gau Seva

Cow shelter with feeding, veterinary care, and awareness programs for cow protection.

Charitable Hospital

Outpatient services, diagnostics, minor treatments, and health outreach camps.

Gurukul Education

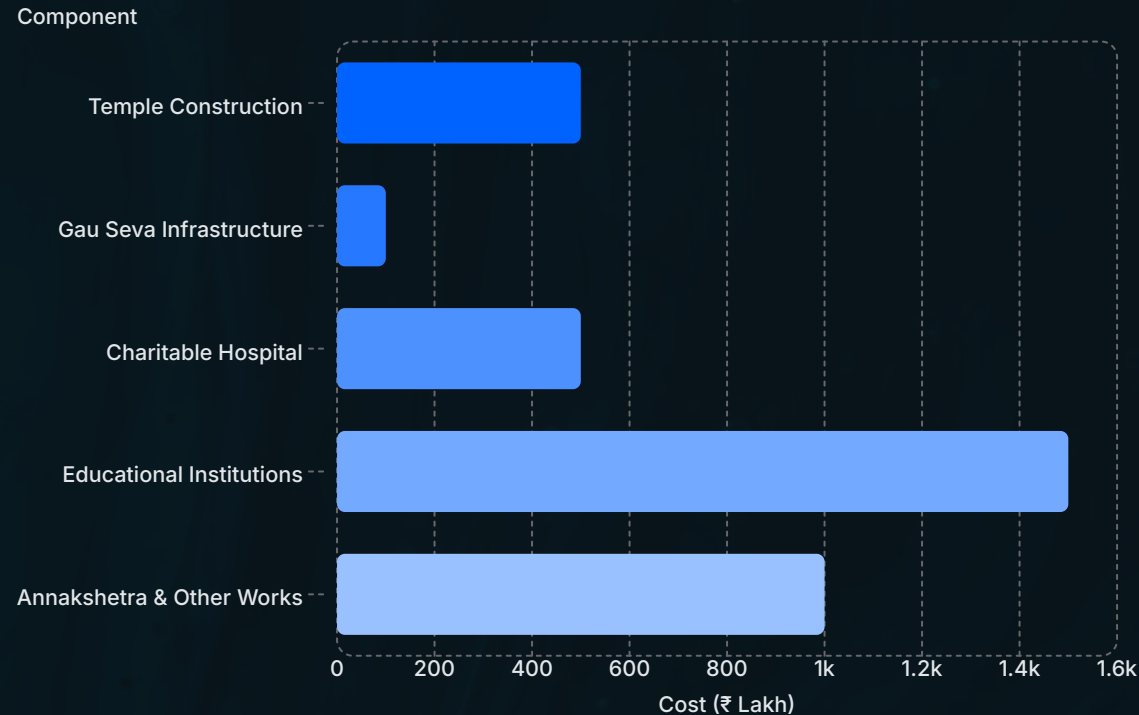

Primary & secondary education, vocational training, and scholarships for underprivileged children.

Annakshetra

Nutritious meals for the poor at a highly subsidised cost of just ₹1.

Estimated Project Cost

Total Investment: ₹36 Crore

The largest share — ₹15 Crore — is allocated to Educational Institutions, reflecting the Trust's deep commitment to long-term community upliftment through knowledge and skill development.

Implementation Plan

The 36-month roadmap ensures systematic development — from land preparation to full operational launch of all community services.

Funding Plan

Individual Donations

Contributions from devotees, philanthropists, and well-wishers.

CSR Contributions

Corporate Social Responsibility funding from businesses and organisations.

Grants

Support from government and non-government organisations.

Fundraising Campaigns

Organised events and campaigns to mobilise community support.

Expected Outcomes & Impact

Long-Term Vision

The project aims to create measurable, lasting change across health, education, spirituality, and livelihood — with a special focus on underprivileged communities.

- ✓ Every initiative is designed for sustainable, long-term upliftment — not just immediate relief.

Sustainability & Monitoring

Sustainability Plan

- Donations and offerings from temple activities
- Nominal fees for services where applicable
- Community participation and volunteer engagement
- Partnerships with NGOs and institutions

Monitoring & Evaluation

- Regular project reviews and progress reports
- Financial audits ensuring full transparency
- Impact assessment based on beneficiary data

Architectural Vision

Shikhara & Domes

A prominent spire with multi-tier domes and sacred dhvaj flags, symbolising spiritual elevation.

Two-Floor Design

Ground floor: utility spaces and shops for income. First floor: prayer hall, open corridors, and sanctum access.

Garbhagriha

Sacred sanctum of Shri Harihar Mahadev — the unified form of Shiva and Vishnu — designed for rituals and meditation.

Symbolic Unity

Harihar Mahadev represents oneness in Sanatan Dharma — promoting harmony, spiritual unity, and social peace.

A Divine Space for Worship, Service & Society

"A Divine Space for Worship, A Sacred Platform for Service, A Strong Foundation for Society"
